Re: Goedehoop Game Ranch/ Goedehoop Safaris

Subject: Letter of Introduction and Recommendation

To Whom It May Concern

I offer this letter as an introduction and recommendation for Johan and Elfie Moolman of Goedehoop Game Ranch and Goedehoop Safaris.

If you are considering a hunt in Namibia, you will find no better hosts and stewards of the land and animals than Johan and Elfie Moolman.

The quality of their facilities and hunting opportunities are exceptional.

Their care and understanding of the land and animals have produced trophies of the highest quality.

They provide a truly memorable experience.

Their professional hunters, guides, trackers and staff are very experienced and knowledgeable of the land and animals.

You will be treated as family.

These are truly remarkable people and a remarkable place.

Allow yourself the opportunity to experience Goedehoop.

Feel free to call or email if you have any questions.
